

NOTICE TO MEMBERS

It is forbidden to enter the club for people who are bound to stay at home because:

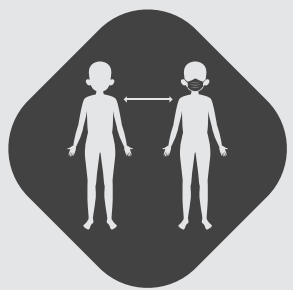

- they are subjected to a fiduciary isolation or quarantine regime following a measure issued by the competent health authority;
- they have a fever (above 37.5 °C) or other flu symptoms (in which case they have to call their general practitioner);
- they have been in contact with Covid-19 positive people in the previous 14 days.

In case of dangerous conditions (flu symptoms, onset of fever), even after entry, it is necessary to notify the staff and not to remain in the club

At the entrance of the club it is necessary to wait your turn and follow the instructions of the staff

It is mandatory to always keep a safe distance of 1 meter between people, with the exception of those sitting at the table and not subjected to social distancing measures (such as people belonging to the same family), according to current provisions.

Hand sanitizer is available at the entrance of the club. It is necessary and compulsory to disinfect your hands before and after touching each object.

It is mandatory to wear a face mask, except when food and/or drinks are being consumed
